X-stream
possibilities

November 2 & 3, 2001

A day and a half of informative seminars, inspirational speakers, and valuable resources for today's Christian workers and leaders.

X-stream possibilities

flow all around us.

Each day holds amazing opportunities and challenges in our ministries. We need to ask God to open our eyes, hearts and lives to move with His best possibilities. Let TRAIN 2001 be the channel that opens your life to a refreshing flow of His love, grace and creativity to enable you to better minister in this world. This is your invitation to check out the possibilities.

Phil Callaway

PLENARY SPEAKER

An award-winning author and speaker, Phil Callaway is known worldwide for his humorous yet perceptive look at the Christian life. He is the best-selling author of six books including, *I Use to Have Answers...Now I Have Kids*, *Making Life Rich Without Any Money*, *Honey, I Dunked the Kids*, and *Who Put the Skunk in the Trunk?* Callaway is Editor of Prairie Bible Institute's *Servant* magazine, which he started in 1988 with the goal of encouraging, edifying and educating Christians. One of Phil's greatest joys is helping others laugh and learn about the things that matter most.

"The only thing better than Phil's humour is his honesty. Phil is, quite possibly, the funniest Canadian alive."

— Martha Bolton, Bob Hope's joke writer

His delight is in the law of the Lord, and on his law he meditates day and night. He is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither.

— Psalm 1:3

Alpha

What is Alpha?

Worldwide evangelism that begins in your own back yard!

Alpha is an extremely effective yet simple evangelism tool for reaching the unchurched, and a refreshing opportunity for church-goers wanting to brush up on the basics.

Alpha is structured as a ten-week course, based around a series of fifteen talks, which tackle the key questions at the heart of the Christian faith. Laughter, fun and eating together are key parts of the course, breaking down barriers and enabling everyone to relax together.

Alpha is a place where no question is regarded as too simple or too hostile. People are given a chance to raise their questions and discuss relevant topics in small groups after the talk.

TRAIN 2001 offers a series of four workshops for those interested in beginning an Alpha course in their church. Mary Reimer will answer your questions about Alpha and expose you to the full range of resources available to support you in running the Alpha course.
