

TRAIN  
A Conference for Christian  
Leaders and Workers

OUR SOLID ROCK  
IN SHIFTING TIMES  
November 1 & 2, 2002

New Location!

Grace Baptist Church 2670 Radcliffe Drive SE Calgary

**Change.** The word conjures up feelings of discomfort and even fear, because we tend to like the comfort of familiarity and security in our lives. Like no other time in recent history, September 11, 2001 has etched itself into our hearts as a point in time after which "things would never be the same". It forever changed people's perspectives on personal and eternal security as they grasped for stability and answers in a world turned upside down.

**We have a God who remains our solid rock in the midst of shifting times.** He does not change, even though the pace of change in the world around us seems to be increasing every day. The message of hope and salvation through Jesus Christ remains constantly relevant, even though the way we "do" ministry must continue to change to remain culturally relevant.

**TRAIN 2002 invites you to join us as we focus on being God's change agents** in whatever ministry — adults, youth, children, leadership, etc. — to which He has called us. You will be given tools and resources to serve effectively in changing ministries, learn from and interact with seasoned leaders and colleagues "in the trenches", be challenged with new ideas, and be refreshed by the powerful truth that we can hold fast to our Solid Rock, no matter what circumstances come our way.
